Guidance information

- The basic principles underpinning tikanga are common, but while there are some constants, the details of performance of tikanga, and their explanation, may differ. These differences may be at a whānau, hapū, iwi, marae or rohe level. The context of the learning should include the tikanga of the local mana whenua (if capable) but learning others' tikanga is also encouraged.
- Definitions**

Kaupapa refers to the guiding principles and values that shape a project or collective endeavour. It reflects Māori ways of knowing and doing, providing a culturally grounded framework for decision making and action. Kaupapa serves as a guiding force that shapes the direction of initiatives in accordance with Māori values and aspirations.

Purpose refers to the reason or rationale for singing waiata.

Tikanga are Māori values, processes, practices, and procedures exercised by Māori in their daily lives. These reflect the concepts upon which they are based and provide guidelines for appropriate behaviour and conduct in Māori society. They also prescribe consequences for any breaches or when tikanga is not followed. They can be particular to a whānau, hapū, iwi, hapori, marae or rohe.
- Referencing all sources of information is encouraged.
