### Guidance Information

- 1 Definitions  
*BCATS industries* refers to any building, construction, and allied trades industries.  
*Industry bodies* refers to organisations that play a role within an industry in a regulatory, support or advisory capacity. This includes regulatory bodies, industry training organisations and trade or professional associations.
- 2 Knowledge of at least two BCATS industries must be demonstrated.

---

### Outcomes and performance criteria

#### Outcome 1

Demonstrate knowledge of BCATS industries.

#### Performance criteria

- 1.1 Job roles within the selected industries are identified, and described in terms of the scope of work, training, and career paths of those who work in them.
- 1.2 Roles and responsibilities of people working in the industry are described.
- 1.3 Potential clients are identified, and the nature of the relationships are described.
- 1.4 Relationships between the selected industries are described in terms of crossover and compatibility.
- 1.5 Industry bodies involved in the selected industries are identified, and their impacts on those who work in the industries are described.
