- 1 Tikanga
Tikanga are values, principles, processes, and practices exercised by Māori in their daily lives. They also prescribe consequences for any breaches or when tikanga is not followed. They can be particular to rohe, hāpori, marae, whānau, hapū and/or iwi.
- 2 The basic principles underpinning tikanga are common, but while there are some constants, the details of performance of tikanga, and their explanation, may differ. These differences may be at a rohe, hāpori, marae, whānau, hapū, iwi level. The context of the learning should include the tikanga of the local mana whenua (if capable) but learning others' tikanga is also encouraged. This is in order to enrich and enhance understanding, knowledge and practice of tikanga, and the associated reo.
