<b>Classification</b>	Languages > English Language
-----------------------	------------------------------

<b>Available grade</b>	Achieved
------------------------	----------

### Guidance Information

- 1 *English Language (EL)* refers to the acquisition of English as an additional language.
- 2 This unit standard is at a level comparable to the Common European Framework of Reference (CEFR) A1. It is intended for learners who have a basic but limited command of English. A structured overview of all CEFR related scales can be found at <http://www.coe.int/en/web/portfolio/overview-of-cefr-related-scales>.
- 3 This unit standard may contribute to the New Zealand Certificate in English Language (Foundation) (Level 1) [Ref: 1879]. The requirements of this standard are consistent with the *NZCEL Guiding Document*. This document includes guidelines relating to appropriate texts, task specifications and assessment conditions and can be found at <http://www.nzqa.govt.nz>.
- 4 All assessment activities must be conducted in English, which must not be the candidate's first language. Task instructions may be given in the candidate's preferred language.
- 5 Assessment must be conducted in a highly supportive and familiar environment, in which the assessor speaks slowly and clearly, and affective barriers are minimised.
- 6 Candidates need to be given time to read any written instructions and questions before the listening task. Clarification of task instructions may be requested by the candidate, so long as this does not lead the candidate to the correct answer.
- 7 The assessor must be satisfied that the candidate can independently demonstrate competence against the unit standard.

- 8 It is recommended that:
- i the outcomes are assessed as part of an integrated unit of work, relevant to the learning context of the candidate;
  - ii assessment be conducted in conjunction with assessment against other English Language unit standards at this level.
- 9 Candidates may use a bilingual and/or an English dictionary, but not electronic devices to understand task instructions.
- 10 Candidate's responses may be oral or written or by non-verbal demonstration. If responses are oral or demonstrated, they must not be heard or observed by other candidates. Responses may contain phonological or linguistic errors and inaccuracies, but must be recognisable. This standard assesses listening skills, not spoken, reading or written skills.
- 11 Spoken instructions for this unit standard:
- i must be appropriate to the spoken mode or a text which is designed for oral delivery;
  - ii must be repeated once only;
  - iii may be supported by visual and non-verbal cues;
  - iv must be delivered in clear standard speech in a familiar accent;
  - v can be listened to face to face, or in pre-recorded audio or audio-visual format. If audio-visual materials are used, these must not include large amounts of written text.
- 12 For the purposes of moderation, if the candidate's response is oral or by demonstrated, the assessment must be recorded audio-visually. Recorded work must not be edited. Guidelines for digital visual submissions can be found in *Preparing digital visual submissions for moderation*, accessed at: <http://www.nzqa.govt.nz>.
- 13 Definitions  
*Different context* refers to different situations e.g. classroom instructions, giving directions, safety instructions.  
*Single-step instructions* refer to one instruction in the sentence.

---

## Outcomes and performance criteria

### Outcome 1

Demonstrate understanding of basic spoken instructions in common everyday situations (EL Foundation).

Range minimum of two tasks, each in a different context;  
instructions may include but are not limited – classroom tasks, household tasks, basic directions.

### Performance criteria

1.1 Task is completed according to the instructions given.

Range minimum of four single-step instructions per task.

<b>Replacement information</b>	This unit standard replaced unit standard 27987.
