Achievement	Achievement with Merit	Achievement with Excellence
<ul style="list-style-type: none"> • Demonstrate understanding of how internal factors interact within a business that operates in a global context. 	<ul style="list-style-type: none"> • Demonstrate in-depth understanding of how internal factors interact within a business that operates in a global context. 	<ul style="list-style-type: none"> • Demonstrate comprehensive understanding of how internal factors interact within a business that operates in a global context.

Explanatory Notes

- 1 This achievement standard is related to the *Teaching and Learning Guide for Business Studies*, Ministry of Education, at <http://seniorsecondary.tki.org.nz/>; *The New Zealand Curriculum*, Learning Media, Ministry of Education, 2007; and *Te Marautanga o Aotearoa*, Ministry of Education, 2008.

Assessment will involve a selection from the business content and concepts related to Business Studies Level 8 Learning Objective One in the *Teaching and Learning Guide for Business Studies*.

- 2 *Demonstrate understanding* typically involves explaining the interaction of internal factors through:
 - stating examples
 - stating business knowledge relevant to the interaction of internal factors

- stating a Māori business concept(s) where relevant to the interaction of internal factors.

Demonstrate in-depth understanding typically involves fully explaining the interaction of internal factors through:

- including examples to support explanations
- including business knowledge relevant to the interaction of internal factors to support explanations
- including a Māori business concept(s) where relevant to the interaction of internal factors to support explanations.

Demonstrate comprehensive understanding typically involves evaluating the interaction of internal factors through:

- integrating examples to fully support explanations
- integrating business knowledge relevant to the interaction of internal factors to fully support explanations
- integrating a Māori business concept(s) where relevant to the interaction of internal factors to fully support explanations.

3 *Internal factors* refer to the business themes – functions, people, management.

4 *Global context* refers to a business operating in an international environment.

5 *Examples* refer to providing relevant information from a business operating in a global context studied in depth.

6 Assessment Specifications for this achievement standard can be accessed through the Business Studies Resources page found at <http://www.nzqa.govt.nz/qualifications-standards/qualifications/ncea/subjects/>.

Replacement Information

This achievement standard and AS91380 replaced unit standard 22858.

Quality Assurance

- 1 Providers and Industry Training Organisations must have been granted consent to assess by NZQA before they can register credits from assessment against achievement standards.
- 2 Organisations with consent to assess and Industry Training Organisations assessing against achievement standards must engage with the moderation system that applies to those achievement standards.
