- Curriculum Level 6 includes the communication skills, language and cultural knowledge needed to demonstrate understanding of different text types, in a range of situations of immediate relevance.
- Definitions  
*Demonstrate understanding* refers to candidates making meaning of spoken Chinese by responding in their choice of English, te reo Māori, and/or Chinese to the information, ideas and/or opinions about the events, people, places and experiences of the Chinese heard.

*Spoken Chinese texts* refer to aural texts containing language beyond the immediate context (eg past and future events), such as short conversations, voice messages, podcasts, announcements, instructions and reports. The texts will reflect the relationship between language and culture and be adapted as appropriate.

*Areas of most immediate relevance* refer to language related to basic personal information and past, present, and/or future experiences (eg family, shopping, local area, events and activities).

*Clear understanding* means the relevant information, ideas and/or opinions from the texts are selected and unambiguously communicated.

*Thorough understanding* means the relevant information, ideas and opinions from the texts are expanded on with supporting detail to show understanding of the implied meanings or conclusions within the text.

- 4 Evidence might include but is not limited to:
  - clarifying information, ideas and/or opinions
  - summarising information, ideas and/or opinions
  - producing, annotating, amending, or completing visual representations of ideas (eg maps, sketches, diagrams)
