Achievement Criteria

Achievement	Achievement with Merit	Achievement with Excellence
<ul style="list-style-type: none"> Demonstrate understanding of how management practices influence livestock growth and development in commercial production in New Zealand. 	<ul style="list-style-type: none"> Demonstrate in-depth understanding of how management practices influence livestock growth and development in commercial production in New Zealand. 	<ul style="list-style-type: none"> Demonstrate comprehensive understanding of how management practices influence livestock growth and development in commercial production in New Zealand.

Explanatory Notes

- This achievement standard is derived from *The New Zealand Curriculum*, Learning Media, Ministry of Education, 2007, and is related to the material in the *Teaching and Learning Guide for Agricultural and Horticultural Science*, Ministry of Education, 2011 at <http://seniorsecondary.tki.org.nz>.
- Demonstrate understanding* involves describing how management practices influence livestock growth and development in commercial livestock production in New Zealand.

Demonstrate in-depth understanding involves explaining how management practices influence livestock growth and development in commercial livestock production in New Zealand.

Demonstrate comprehensive understanding involves evaluating how management practices influence livestock growth and development in commercial livestock production in New Zealand. This may involve justifying, comparing and contrasting, and analysing.

- 3 *Livestock* are organisms raised in a commercial New Zealand environment to produce commodities such as food and fibre. Examples include insects, horses, fish and traditional livestock species.
 - 4 *Management practices* used in commercial livestock production refers to actions taken that impact on the quantity, quality, timing, and economics of production.
 - 5 Assessment Specifications for this achievement standard can be accessed through the Agricultural and Horticultural Sciences Resources page found at <http://www.nzqa.govt.nz/qualifications-standards/qualifications/ncea/subjects/>.
