Assessment will involve a selection from the business content and concepts related to Business Studies Level 8 Learning Objective One in the *Teaching and Learning Guide for Business Studies*.

This standard is also derived from *Te Marautanga o Aotearoa*. For details of *Te Marautanga o Aotearoa* achievement objectives to which this standard relates, see the [Papa Whakaako](#) for the relevant learning area.

- 2 *Demonstrate understanding* typically involves explaining the strategic response to external factors through:
- stating examples
 - stating business knowledge relevant to the strategic response to external factors
 - stating a Māori business concept(s) where relevant to the strategic response to external factors.

Demonstrate in-depth understanding typically involves fully explaining the strategic response to external factors through:

- including examples to support explanations
- including business knowledge relevant to the strategic response to external factors to support explanations
- including a Māori business concept(s) where relevant to the strategic response to external factors to support explanations.

Demonstrate comprehensive understanding typically involves evaluating the strategic response to external factors through:

- integrating examples to fully support explanations
- integrating business knowledge relevant to the strategic response to external factors to fully support explanations
- integrating a Māori business concept(s) where relevant to the strategic response to external factors to fully support explanations.

- 3 *External factors* refer to those outside of the business's control that can affect its business functions, people, management and environment.
- 4 *Global context* refers to a business operating in an international environment.
- 5 *Examples* refer to providing relevant information from a business operating in a global context studied in depth.
- 6 *Strategic response* means a relevant 'business wide' reaction at multiple levels (size, scope, timeframe).
