Explanatory Notes

- This achievement standard is related to *The New Zealand Curriculum*, Learning Media, Ministry of Education, 2007, and to the material in the Teaching and Learning Guides, Ministry of Education, 2016 at <http://seniorsecondary.tki.org.nz>.
- Analyse* involves explaining the effect of financing options of a strategic capital expenditure decision and the consequence(s) on a business.

Analyse, in depth, involves giving a thorough explanation of the effect of financing options of a strategic capital expenditure decision. This includes examining the consequence(s) using financial and non-financial information, and selecting the best option for the business.

Comprehensively analyse involves evaluating the effect of financing options of a strategic capital expenditure decision. This includes evaluating the consequence(s) using financial and non-financial information, and justifying the best option for the business. The justification includes evaluating the impact of this option on the business.

- 3 *A strategic capital expenditure decision* requires a business to raise additional equity or finance to fund the capital expenditure. The capital expenditure is relevant to the business and the decision has a medium to long term impact.
