**This page has been deliberately left blank.
The examination starts on the following page.**

PLANNING

Choose TWO world views you have studied, and use this planning page to help you sort your ideas and to structure your answer about these world views.

World view (1): _____	World view (2): _____
Features (beliefs and/or values) of each world view:	
Behaviours, practices, and/or activities of each world view (including information or examples from your own studies):	
Impact these behaviours, practices, and/or activities have on a sustainable future (leading to justification of one world view over the other): <i>Note: A definition of a sustainable future is on page 3 of Resource Booklet 90812R.</i>	
Resource(s) from Resource Booklet 90812R that will be integrated into your answer:	

QUESTION

Name the TWO world views that you have chosen.

World view (1): _____

World view (2): _____

Your answer must be supported with information and/or examples from your own studies, AND must include information from at least ONE resource from Resource Booklet 90812R.

Discuss how the consequences of one of your chosen world views would lead to a more sustainable future than those of the other world view.

In your discussion, include:

- the **beliefs** and/or **values** that each of your chosen world views is based on
- the way that these world views are **expressed** through behaviours, practices, and/or activities
- the impact these behaviours, practices, and/or activities have on a **sustainable future**
- **justification** of one world view over the other, with regards to a **sustainable future**.
