QUESTION

Tatiana is 17 years old. She has been invited to her friend Mike's 18th birthday party at his house, where she knows alcohol will be provided. Tatiana's parents do not approve of people under the age of 18 drinking alcohol. As she arrives at the party, Tatiana makes a conscious decision about whether or not she should drink alcohol.

Read and refer to **Resource A** on page 3 of the resource booklet, as well as your own knowledge of New Zealand's alcohol law changes, when answering (a) to (c).

- (a) Explain one personal, one interpersonal, AND one societal influence on Tatiana's decision about whether or not she should drink alcohol at the party.

(b) (i) Identify THREE different decisions Tatiana could make once she arrives at the party.

(1) _____

(2) _____

(3) _____

(ii) Select the **most** health-enhancing decision for Tatiana from those you have identified in (i).

(iii) Explain why your selected decision in (ii) is the most health-enhancing for Tatiana.

(c) (i) Identify THREE actions Mike’s parents need to take if they are going to serve alcohol legally at the 18th birthday party (ie in accordance with the recent law change).

(1) _____

(2) _____

(3) _____

(ii) Explain how EACH of these THREE actions in combination would be health-enhancing for those attending the party.

Within your answer, consider the impacts of alcohol use on all aspects of a person’s well-being and how they interconnect, as well as how other people are impacted by one person’s alcohol use.
