ASSESSOR'S USE ONLY

Read through the task and instructions below before you start planning and writing your response.

TASK: Comprehensively describe sustainable consumerism as a cultural change

A cultural change is a redefinition of accepted behaviour in society.

Instructions

Read the resource booklet and the task before you start planning and writing your response. Use the material in the resource booklet to help you respond to the task.

You are required to comprehensively describe sustainable consumerism as a cultural change. Use at least TWO relevant social studies concepts in your description of this cultural change.

To do this, complete the following three parts of the task.

- (a) Describe sustainable consumerism as a cultural change and the individuals/groups/society(ies) involved. Start your response on page 4.
- (b) Describe, in depth:
 - at least TWO **processes** that led to the cultural change
 - at least TWO contrasting **points of view** about the change. Points of view can include opinions and beliefs of individuals/groups/society(ies). Start your response on page 6.
- (c) Comprehensively describe the reasons why the processes that led to the change were important for the individuals/groups/society(ies) involved. Start your response on page 8.

You can respond using:

- paragraphs
- bullet points
- diagrams
- pictures
- other forms of illustration.

Use the table on page 3 to help you plan your response. Begin your response on page 4.
