ASSESSOR'S USE ONLY

INSTRUCTIONS

Translate the passage below into clear, unambiguous English. Give the meaning of the Latin as accurately as you can.

The main parts of the words used in this passage, together with their meanings, are listed in alphabetical order in the vocabulary booklet.

The passage is repeated on page 4 so that you will not need to turn back to this page.

Caesar starts civil war

Caesar, based in the city of Ravenna in Cisalpine Gaul, has decided to send troops in advance to the River Rubicon, the boundary of his province. After secretly joining these troops at the river, he receives an omen that confirms his intention to march on Rome.

Caesar post solis occasum cohortes ex urbe praemisit. multo tardius vehiculum e pistrino proximo clam abstulit et cum paucis comitibus ad Rubiconem flumen profectus est. cum omnes progredierentur, subito lumina vehiculi extincta sunt. huc et illuc diu errabant, quod viam non iam videre potuerunt. Caesar tandem prima luce incolam, qui eos pedibus ad viam reduceret, invenit. 5

consecutus cohortes ad flumen, quod finis provinciae erat, Caesar paulum ibi constitit, putans de quo facturus esset. conversus ad proximos "etiam nunc," inquit, "regredi possumus, sed si hoc flumen transierimus, nobis pugnandum erit."

his verbis vix dictis, ei apparuit spectrum eximia magnitudine et forma in proximo sedens et harundine canens. ad quod plurimi milites ex stationibus concurrerunt ut audirent. spectrum tamen prosiluit et, rapta ab uno tuba, ad alteram ripam progressus est. tunc Caesar magna voce, "iacta alea est," inquit. 10
