RESOURCE BOOKLET

Refer to this booklet to answer the questions for Health 91235.

Check that this booklet has pages 2–4 in the correct order and that none of these pages is blank.

YOU MAY KEEP THIS BOOKLET AT THE END OF THE EXAMINATION.

Resource C: Damage caused by synthetic drugs

The screenshot shows a web browser displaying a news article. The URL in the address bar is www.newshub.co.nz/tvshows/story/synthetics-causing-havoc-for-wellington-ambos. The page features the 'story' logo with '7PM MON-THUR' and 'Newshub. RADIO LIVE' branding. A navigation bar includes links for Home, Features, LiveStream, Contact, and Watch on, along with a 'NOW' button and social media icons for Facebook and Twitter. The article title is 'Synthetics causing havoc for ambos', dated Monday 17 Aug 2015 7:00 p.m., by Tristram Clayton. The main text begins with 'New Zealand already has some of the highest drug use rates in the developed world.' followed by several paragraphs of text that have been redacted with grey boxes. The visible text continues with 'Worryingly, the synthetic compound they did contain is well known for causing vomiting, hallucinations, and blackouts, especially when mixed with alcohol.'

Synthetics causing havoc for ambos

Monday 17 Aug 2015 7:00 p.m.

f t in G+ Print Email

By Tristram Clayton

New Zealand already has some of the highest drug use rates in the developed world.

Worryingly, the synthetic compound they did contain is well known for causing vomiting, hallucinations, and blackouts, especially when mixed with alcohol.
