INSTRUCTIONS

Select ONE of the two international health topics below, and identify a **significant health issue of international concern** (from within your selected topic), that you will use to answer ALL parts of the question in this booklet.

Note: An international health issue is one currently affecting the well-being of significant numbers of people in a country (or countries) other than, or as well as, New Zealand, and which is a matter of public concern.

Space is provided on page 3 to help you plan your answers.

Begin your answers on page 3, and include **specific and relevant evidence**, such as examples, quotations, and/or data from credible and current sources (from 2013 onwards) to support them.
