TASK

Write a concise essay on ONE significant issue that you have studied, in response to ONE of the statements below.

Discuss the extent to which you agree or disagree with your chosen statement.

Your essay should include:

- an explanation of the significant issue you have selected
- descriptions of, and references to, psychological theories, concepts, or studies from published works
- a discussion of how the issue may be addressed.

STATEMENTS (Choose ONE)

1. The benefits of psychological research findings and discoveries outweigh discomfort to the participants.
2. The male perspective has negatively dominated psychological research.
3. Psychology cannot be considered truly scientific.
4. Culture bias in psychological practice is unavoidable.
