RESOURCE A: FEED THE NEED – INTRODUCTION

“We’re on a mission to provide nutritious lunches.”

About Feed the Need:

Feed the Need is focussed on providing fresh, nutritious meals to children in low-decile schools, (Winter Boost, Feed the Whānau and Youth) that sustain, strengthen and support young people to thrive in the classroom and achieve their potential.

Feed the Need’s three programmes:

1 Winter Boost Programme: provides hot,

A lack of food is a major barrier to learning, social progress and development.

opportunity as kitchen hands at Feed the Need’s kitchen (see Resource D, page 6).

New Zealand needs every hungry child to be an educated, well-informed and functioning citizen.

Organisations involved with Feed the Need:

Feed the Need has great sponsors that fund its programmes.

ecause of the

sponsors’ generosity, the charity can get on with its work.

RESOURCE A continued

“We look after our own, in the company and in the community.”

Goodman Fielder employees are allowed to use four of their paid work hours to do voluntary work for charities, including Feed the Need.

It is proud to have supported Feed the Need by sponsoring more than 15 000 hot lunches so far.

Feedback from Goodman Fielder.

LDS Charities and Toyota donated a new delivery van to Feed the Need for taking lunches to the primary schools.

“This is a wonderful donation. We no longer need to rent unreliable transportation. This project is not just about filling stomachs — it is about letting these children know people care.”

Feedback from Feed the Need.

The Mad Butcher supports Feed the Need with generous discounts on meat for school lunches.

It has always been a huge supporter of the communities in which it operates, the idea being to – where possible – offer people a hand up rather than a handout.

Feedback from The Mad Butcher.

RESOURCE B: WINTER BOOST PROGRAMME

The Winter Boost Programme operated by Feed the Need provides hot, nutritious lunches to every child in participating decile 1 and decile 2 primary schools, at a stage when nutrition is especially important to their long-term development.
