**Note:** All questions in this booklet relate to *Okupu Photography*. Refer to **Resource Booklet 91176R** when answering the questions.

*Okupu Photography* offers both wedding and family photography services. In the wedding season, Emma employs a photography assistant called a "second shoot". Emma uses a number of software applications to edit her photographs, for which she pays monthly licence fees. She also attends small wedding expos to advertise *Okupu Photography*. The remainder of Emma's advertising is done through her website.

The wedding and family photography offers include options to receive printed framed photographs and / or a selection of photographs on a USB flash drive. *Okupu Photography* has its own printing equipment but pays for the framing to be done by Emma's friend.
