Sunday Adelaja, a Ukrainian spiritual leader, has argued that a nation's value system influences how its citizens react, respond and behave among themselves, to politics, commerce, family, and social life.

With reference to your issue and the adapted quote above, evaluate the extent to which ideologies have influenced the responses and behaviours of individuals/groups towards the issue.

Include appropriate viewpoints, values and perspectives in your response.

Note: Ideological responses are driven by a set of shared beliefs and ideas and may include imposition of restrictions, indoctrination, campaigns, inclusion and exclusion, and rewards and benefits. Within ideologies there are multiple points of view, values and perspectives.
