INSTRUCTIONS

Write a concise essay on ONE significant issue that you have studied, in response to ONE of the statements below.

Discuss the extent to which you agree or disagree with your chosen statement.

Your essay should include:

- an explanation of the significant issue you have selected
- descriptions of, and references to, psychological theories, concepts, or studies from published works
- a discussion of how the issue may be addressed.

Begin your essay on page 4.

STATEMENTS (Choose ONE)

1. A female perspective should be taken in psychological practice after years of male bias.
2. Animals should not be used in psychological research.
3. Psychological practice benefits society and, therefore, some negative impacts are acceptable.
4. Generalising psychological research findings based on a limited sample of participants can be harmful.

PLANNING

You should aim to write a concise essay of no more than 5–6 pages. The quality of your writing is more important than the length of your essay.

Make sure you address your chosen statement.
