#### Guidelines for applying the Assessment Schedule

- The answer space provided in the exam paper is NOT an indication of the word count required. The candidate may exceed the lines provided, or respond succinctly using fewer lines. For Merit/Excellence, however, the candidate needs to show clear/thorough understanding of the meanings or conclusions within the text, which usually requires more than a brief statement.
- The candidate must demonstrate understanding of the texts. Responses must not simply quote or translate sections of the texts.
- A cut-score system is not used.
