

BRIEF:

The Hub requested that a website homepage with a sample of what one of the other pages on their website be designed, as well as a promotional video advertising The Hub. Showcased here are three stills from the promotional video, with a mock-up of what it might look like on a movie theatre screen, as well as two mock-ups of the website and several tote bags as a part of their merchandise.

BRIEF:

Creative collaboration space, The Hub, requested that several mock ups of a magazine spread be designed, as well as some business cards and tickets to their opening event. This is what is seen being showcased here.

BRIEF:
The Hub is a creative collaboration space where women can go to support and collaborate on projects with each other. The space is designed to be realising and fuel creativity. I have been approached by the owners of this business to advertise the upcoming promotional material to get members of the public coming along to the opening and hopefully to convince to become a member.

BRIEF:

The Hub is a creative collaboration space where women can go to support and collaborate on projects with each other. The space is designed to be relaxing and fuel creativity. I have been approached by the owners of this business to design the upcoming promotional material to advertise the opening of the space. The aim of this promotional material is to get members of the public to come along to the opening and hopefully be convinced to become a member.
