QUESTION ONE: 哪间饭馆好呢? (Which restaurant?)

Read Text A on page 2 of the resource booklet.

Which restaurant should Joshua take his family to during Spring Festival next year based on the reviews? Justify your answer with evidence from the text.

The first restaurant got a five star review on the 30th of August, it said the food is too tasty. He is a Beijing person, he says he never before in NZ eaten in the past good food that tastes like Beijing food. He and his son ate two fried noodles and one other dish, and it only cost \$25. Now can have same convenient and delicious restaurant again, waiters also extremely friendly. Another customer gave them a 2 star on 3rd of February saying, I know during Spring Festival very busy, so you should find lots of waiters to help. It took one hour long to make our food, my mum and Dad already very big, short time they get tired, but also 40 minutes long to eat food. After we ate family all had a strong stomach ache. But also the shop place very not convenient.

The second Restaurant had a four star review on 23rd September, it says this Restaurant makes Shanghai food, although have a little bit expensive, one meal costs \$35, but it tastes too good! but also ~~restaurant~~ ^{shop} place both big and comfortable. While we ate chef also came outside to see ~~the food was good~~ ~~the food was good~~. If our food ^{was} good. And ask us if our food has any problems. The next Review was three stars and was posted on September 20th, it says, Heard this Restaurant's things taste good. But we want to eat all the food was sold! Waiter said I you want to eat, ~~not good thing before first~~ Best thing to do is call before and reserve. But also I think very expensive, we ate two fried noodles then needed to pay \$30. Although it was very tasty, but beside restaurant one fried noodles cost \$10, also very tasty. Place is very comfortable.

So From the two reviews on each Restaurant I think that the ~~first~~ Second one would be better during Spring Festival next year, as the first one had a complaint about them going during Spring Festival, and the good of the

Second Restaurant must taste better as it is more expensive and since it is a special occasion money shouldn't matter.

QUESTION TWO: 滑雪旅行 (Ski trip)

Read Text B on page 3 of the resource booklet.

Why would Jacob want to go to Beijing? Justify your response with evidence from the text.

Jacob says to Da ming, this year summer in NZ is too hot, I rather like winter. Da ming then replies in winter we can go skiing, last year your family went south island to ski. This would be a reason for Jacob to go to Beijing so he can ski with da ming. ~~Then~~ Jacob replies yes, when I was four then I started to ski, we and family every year winter all can together go skiing. Can your family members ski? I heard China has ~~7~~ more than 700 skiing places. But also I on TV see Beijing winter olympics skiing ~~and~~ place, It looks both new, big and beautiful. Did you watch the winter olympics competition in February? Da ming then replies saying, No , we were too late to buy a ticket. But after it you in January come to Beijing, we can go to where the skiing was. You ^{stay} ~~are~~ in my home, and we can together celebrate new year, together do red envelopes. You must love eat Chinese food? ~~because~~ my Chinese food I ^{eat} ~~and~~ your food in NZ is different, But I know you must like it. Also you can everyday speak Chinese, your Chinese also must improve more and more. We can also go to ~~other~~ other skiing places, or go and look at ~~places~~ places. All of the activities Da ming has just suggested in his text are reasons that Jacob would want to go to Beijing. Da ming sends another message saying, I and my Dad love skiing, Mum not too much But she likes famous people from Beijing, but also likes to take our photos. Jacob replies, ~~very~~ very good! If I can go to Beijing and see you I must go! This shows how he does want to go to Beijing and the reason is to see Da ming and do the activities he said.

QUESTION THREE: 岛国文化周 (Polyfest)

Read Text C on page 3 of the resource booklet.

Should Lin Shu join Polyfest with Waiana? Why? Justify your answer with evidence from the text.

Lin Shu say next year we need to be year 13! Next year culture ^{day} ~~must~~
I want to be china's BKL, what about you? Waiana replys saying ~~very~~
~~very~~ Next year is most oppertunitys. Althoug I must not become
BKL, also must participate. but also, next year school cultural day is polyfest.
Lin Shu says that she doesnt understand what festival polyfest is. Waiana
Says Poly fest isnt a festival, it is a high school cultural activity. lots of people
that arent Pasifika can together in polyfest compete. This way everyone then has the
oppertunity to see Maori and Pasifika culture. But also lots of NZ people
can participate. Lin Shu then asks if Chinese people can participate and
Waiana says Anyone can participate, Polyfest then needs to make everyone
know NZ & a lot of different cultures. theres lots of people from different
countries together. I heard, have some teachers next year plan to have one
teacher for the Maori ^{leader} event. Lin Shu replies, I heard the same thing, I
want to participate in the Maori event. Can I also want to ~~be there~~ go
Chinese event? Waiana says Maori event ^{practice} is monday and wednesday after you
leave school, Chinese event practice is wednesday and friday during lunch time
break. If you not busy, can participate in all of them. But you mostly
dont need time to become chinese event leader, But if you do both you will
be too tired. So Overall looking at the texts I think that Lin Shu should
not do polyfest as well, this is because she would be too tired doing both
and I think she would enjoy the chinese event more based on the
texts.

1	M6	Showed understanding overall of all the relevant information. Lacked an effective conclusion to show understanding of implied meanings. Although a concluding statement was made about which restaurant to go to, there was insufficient link between translation and conclusion.			
2	M5	Once again, there was a clear translation, but the response lacked an effective conclusion. Translation was also more general compared to Q1.			
3	M6	The candidate provides a mostly clear translation, but as above, lacked a strong conclusion to show thorough understanding.
