QUESTION ONE: 要不要上大学? (Does he need to go to university?)

Read Text A on page 2 of the resource booklet.

What decision has Li Xiaopeng made for his future? Do you think this is the right decision or not? Use information from the text to support your answer.

Li xiao Peng decided he is not going to attend university because he does not like university nor does he know what to study in university and also his Parents does not have a big wealth so he wants to help them save money. I don't think he made the right choice because ~~it is not a safe choice~~ going to university is a safer choice and he can have a better life in the future and also there are also people who succeed without going to university ~~by~~ but it is a small small portion of people and also as his mum said xiao Peng will ~~be~~ most likely to fall into the non successful ~~people category~~ portion.

QUESTION TWO: 网课 (Online lessons)

Read Text B on page 3 of the resource booklet.

(a) What problems do the teachers have?

Ms Li has a few students that attends little to none online classes and does not do ~~to~~ their given home work so she is scared they might ~~fail~~ fail their exams because they are preparing for their exams

(b) Are there any solutions to the problems? Use information from the text to support your answer.

Yes there is, Mr Wang gave Ms Li the idea of putting the homework online so the students can manage their own ~~the~~ time ~~of doing their~~ ~~home work~~ and maybe doing their ~~the~~ home work. But because it is a hard ~~time~~ time for everyone right ~~now~~ now they might just need to take care of their health because they are facing a computer every-day to study and not being able to see their friends and

play Sports is a hard thing
for teenagers.

QUESTION THREE: 中文周 (Chinese Language Week)

Read Text C on page 4 of the resource booklet.

How have the students decided to celebrate Chinese Language Week and why? Use information from the text to support your answer.

They have decided that they teach other people in the school on how to say a phrase every day and at the end of the week on Friday they all come together and have a competition and the winner can eat dumplings. They have decided on doing this because there are lots of Chinese people in New Zealand working or doing business but New Zealanders does not know or understand Chinese and Chinese culture and because New Zealand and China ~~there~~ does a lot of ~~us~~ business both countries people should be friends so they can help with both countries ~~business~~ so learning about the Chinese culture ~~and~~ and learning a few simple easy Chinese words can help us become ~~friends~~ friends.
