Movie night

B I U    

This does not require much people and can be enjoyed even though it is raining or cold outside. You can use a projector to watch the movies outside although it may be a little cold.

B I U    

Sports day

B I U    

This takes place in a park and includes sports such as soccer, basketball and rugby. It is recommended that there are alot of people and there would be a barbeque afterwards.

(b) Which activity would you recommend for Suzy and Ani, and why? Explain your answer using evidence from the text.

B I U    

I think the beach party would be ideal for Suzy and Ani. This is because Ani had wanted to give Suzy an interesting experience in new zealand. The movie night would be too common and is not a 'new zealand' experience. The sports day could potentially work as well but the disadvantages of it is that it requires alot of people and it gets competitive so it may not be fun for Suzy since she is not good at sports. In the beach party, there are multiple activities such as music, swimming and games as well as water activities such as kayaking and surfing. Since Ani had mentioned that Suzy is not very good at sports, this would be ideal since there is a guide to help her out.
