91176 Prepare financial information for an entity that operates accounting subsystems

Credits: Five

| Achievement | Achievement with Merit | Achievement with Excellence |
|----------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------|
| Prepare financial information for an entity that operates accounting subsystems. | Prepare in-depth financial information for an entity that operates accounting subsystems. | Prepare comprehensive financial information for an entity that operates accounting subsystems. |

Check that the National Student Number (NSN) on your admission slip is the same as the number at the top of this page.

You should attempt ALL the questions in this booklet.

Pull out Resource Booklet 91176R from the centre of this booklet.

If you need more room for any answer, use the extra space provided at the back of this booklet.

Check that this booklet has pages 2–8 in the correct order and that none of these pages is blank.

Do not write in the margins (1/1/1/2). This area will be cut off when the booklet is marked.

YOU MUST HAND THIS BOOKLET TO THE SUPERVISOR AT THE END OF THE EXAMINATION.

Extra space if required. Write the question number(s) if applicable. QUESTION 91176

8

Subject: Accounting

Standard: 91176

Total score: 21

| Q | Grade score | Marker commentary |
|-------|----------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| One | E7 | Although there are three figures circled, there are only two errors as the rates adjustment impacted two figures. |
| | | The income statement is fit for purpose showing subtotals, gross profit labelled, and no detracting errors. The prepayments ledger has no additional entries. |
| Two | E7 | In the inventory ledger, credit was awarded for the \$820 in the credit column and the balance being deducted and the Dr indicator present. The final balance needed to be \$17 500, therefore the entry in the credit column needed to be \$180. |
| | | The accrued expenses figure of \$1500 needed to also include the second adjustment relating to the amount of mortgage interest owing. |
| | | All extracts are fit for purpose with no additional or foreign items. |
| Three | E7 | The answer to this question just meets the requirements for E7. |
| | | The cash paid to account payable is correct and clear working was supplied. |
| | | The statement of cash flows was almost fully correct. GST payments were not included and whilst the drawings figure was incorrect, it did not include the foreign item. |
