Assessment Schedule – 2019

Digital Technologies and Hangarau Matihiko: Present a summary of developing a digital outcome (91899)

Assessment Criteria

Achievement	Achievement with Merit	Achievement with Excellence
Presenting a **summary** of developing a digital outcome involves: • describing the digital outcome that was developed • explaining decisions made in the development of the process.	Presenting an **in-depth summary** of developing a digital outcome involves: • discussing how the digital outcome addressed relevant requirements and implications.	Presenting a **comprehensive summary** of developing a digital outcome involves: • evaluating decisions made in the development process and discussing what could be done differently to improve the digital outcome, based on insights gained.

Evidence

The suggested length is 800–1500 words.

N1	N2	A3	A4	M5	M6	E7	E8
Does not present a summary of developing a digital outcome.	Not enough evidence to show understanding. One part of the required response may be completely missing, or several parts may be weak.	Describes digital outcome developed. Some aspects may be weak or partial in explanation of decisions made.	Describes digital outcome developed. Shows clear understanding in explanation of decisions made.	Some aspects of the discussion may be partial or weak.	Impact is clearly explained. Requirements and implications clearly discussed.	Some aspects of the evaluation of the development process are partial or weak. Either breadth or depth may be present.	A comprehensive summary of developing a digital outcome is given. Evaluation is insightful and has both breadth and depth. It includes what could be done to improve the digital outcome.

N0 = No response; no relevant evidence.

Cut Scores
