

Assessment Schedule – 2020**History: Analyse the causes and consequences of a significant historical event (91438)****Assessment Criteria**

Achievement	Achievement with Merit	Achievement with Excellence
<i>Analyse</i> involves explaining the causes and consequences of a significant historical event. This may involve establishing underlying and immediate causes and short-term and long-term consequences.	<i>Analyse, in depth</i> , involves evaluating the causes and consequences of a significant historical event. Evaluating includes the prioritisation of causes and consequences by justifying their relative significance.	<i>Comprehensively analyse</i> involves evaluating the causes and consequences of a significant historical event to support well-considered judgements that demonstrate understanding of the complexity of the causes and consequences.

- N0** = No response; no relevant evidence.
- N1** = Writes ONE cause of a significant historical event and gives no supporting reason OR very briefly describes more than ONE cause of a significant historical event
OR examines ONE consequence OR briefly describes more than ONE consequence of a significant historical event.
- N2** = Writes ONE cause of a significant historical event and gives no supporting reason OR describes more than ONE cause, without establishing the connection with a significant historical event
AND examines ONE consequence OR describes more than ONE consequence, without establishing the connection with a significant historical event.
