

Assessment Schedule – 2022

Geography: Demonstrate understanding of how a cultural process shapes geographic environment(s) (91427)

Assessment Criteria

Achievement	Achievement with Merit	Achievement with Excellence
<p><i>Demonstrating understanding</i> involves:</p> <ul style="list-style-type: none"> • analysing aspects of the cultural process and how they shape the geographic environment(s) • including some supporting case study evidence. 	<p><i>Demonstrating in-depth understanding</i> involves:</p> <ul style="list-style-type: none"> • analysing in detail aspects of the cultural process and how they shape the geographic environment(s) • including detailed supporting case study evidence. 	<p><i>Demonstrating comprehensive understanding</i> involves:</p> <ul style="list-style-type: none"> • providing an insightful analysis of aspects of the cultural process and how they shape the geographic environment(s) • integrating comprehensive supporting case study evidence. <p>NB: An insightful analysis includes an analysis of the links between the elements of the cultural process to draw conclusions.</p>

Evidence

The candidate comprehensively analyses how the operation of the named cultural process creates either spatial OR temporal variations in the named geographic environment(s).

Includes some relevant material; but does not address the question (very limited answer).	Includes little accurate information about the operation of the cultural process, or spatial or temporal variation.	<p>Demonstrates some understanding of the operation of a cultural process.</p> <p>Includes some supporting case study evidence.</p> <p>Illustrates the spatial or temporal variations of the cultural process.</p> <p>Partially analyses the spatial or temporal variations, but may focus more on the variations themselves, rather than the operation of the process as the cause (may be inferred).</p>	<p>Demonstrates understanding of the operation of a cultural process.</p> <p>Includes supporting case study evidence.</p> <p>Illustrates the spatial or temporal variations of the cultural process.</p> <p>Analyses the spatial or temporal variations, but may focus more on the variations themselves, rather than the operation of the process as the cause.</p>	<p>Demonstrates detailed understanding of the operation of a cultural process.</p> <p>Includes some detailed supporting case study evidence.</p> <p>Illustrates in detail the spatial or temporal variations of the cultural process.</p> <p>Analyses in some detail the spatial or temporal variations created by the operation of the process.</p> <p>One aspect may be weaker, or the candidate may focus in parts on describing the variation, rather than analysing it.</p>	<p>Demonstrates detailed understanding of the operation of a cultural process.</p> <p>Includes detailed supporting case study evidence.</p> <p>Illustrates in detail the spatial or temporal variations of the cultural process.</p> <p>Analyses in detail the spatial or temporal variations created by the operation of the process.</p>	<p>Demonstrates comprehensive understanding, with some insight, of the operation of a cultural process.</p> <p>Integrates comprehensive supporting case study evidence throughout.</p> <p>Illustrates in detail the spatial or temporal variations of the cultural process.</p> <p>Analyses comprehensively, with some insight, the spatial or temporal variations created by the operation of the process.</p> <p>Includes some insightful analysis of the links between the elements of the cultural process to draw conclusions.</p>	<p>Demonstrates comprehensive understanding, with insight, of the operation of a cultural process</p> <p>Integrates comprehensive supporting case study evidence throughout.</p> <p>Illustrates in detail the spatial or temporal variations of the cultural process.</p> <p>Analyses comprehensively, with insight, the spatial or temporal variations created by the operation of the process.</p> <p>Includes an insightful analysis of the links between the elements of the cultural process to draw conclusions.</p>
