

Assessment Schedule – 2023

Geography: Demonstrate geographic understanding of differences in development (91242)

Assessment Criteria

Achievement	Achievement with Merit	Achievement with Excellence
<p><i>Demonstrating geographic understanding of differences in development</i> involves the candidate:</p> <ul style="list-style-type: none"> • explaining aspects of development • including supporting case study evidence. 	<p><i>Demonstrating in-depth geographic understanding of differences in development</i> involves the candidate:</p> <ul style="list-style-type: none"> • explaining, in detail, aspects of development • including detailed supporting case study evidence. 	<p><i>Demonstrating comprehensive geographic understanding of differences in development</i> involves the candidate:</p> <ul style="list-style-type: none"> • fully explaining aspects of development, including the use of geographic terminology and concepts, showing insight • integrating supporting case study evidence.

Evidence

N1	N2	A3	A4	M5	M6	E7	E8
Shows limited understanding of the disadvantages of one indicator in measuring development in the case study communities, areas, or countries. <i>OR</i> Shows limited understanding of how one factor has contributed to differences in development in the case study communities, areas, or countries, including characteristics of development.	Shows some understanding of the disadvantages of one indicator in measuring development in the case study communities, areas, or countries. <i>OR</i> Shows some understanding of how one factor has contributed to differences in development in the case study communities, areas, or countries, including characteristics of development.	Explains the disadvantages of one indicator in measuring development in the case study communities, areas, or countries. <i>OR</i> Briefly explains how one factor has contributed to differences in development in the case study communities, areas, or countries, including characteristics of development. Includes some supporting case study evidence.	Explains the disadvantages of one indicator in measuring development in the case study communities, areas, or countries. <i>AND</i> Explains how one factor has contributed to differences in development in the case study communities, areas, or countries, including characteristics of development. Includes supporting case study evidence.	Explains, in detail , the disadvantages of one indicator in measuring development in the case study communities, areas, or countries. <i>AND</i> Explains how one factor has contributed to differences in development in the case study communities, areas, or countries, including characteristics of development. (The explanation provided for one case study may be less detailed.) Includes some detailed supporting case study evidence.	Explains, in detail , the disadvantages of one indicator in measuring development in the case study communities, areas, or countries. <i>AND</i> Explains how one factor has contributed to differences in development in the case study communities, areas, or countries, including characteristics of development. Includes detailed supporting case study evidence.	Fully explains the disadvantages of one indicator in measuring development in the case study communities, areas, or countries. <i>AND</i> Explains, in detail , how one factor has contributed to differences in development in the case study communities, areas, or countries, including characteristics of development. (The explanation provided for one case study may be less comprehensive.) Includes integrated comprehensive supporting case study evidence. Includes some insightful use of relevant geographic concepts and terminology.	Fully explains the disadvantages of one indicator in measuring development in the case study communities, areas, or countries. <i>AND</i> Fully explains how one factor has contributed to differences in development in the case study communities, areas, or countries, including characteristics of development. Includes integrated comprehensive supporting case study evidence throughout . Includes insightful use of relevant geographic concepts and terminology.

N0 = No response; no relevant evidence.
