### Information relating to all achievement standards

#### Area of study

Accounting

#### Equipment required

An [approved calculator](#) is required.

#### Special notes

Candidates should incorporate context into their answers for all standards.

### Specific information for individual achievement standards

**Standard:** 91404

**Title:** Demonstrate understanding of accounting concepts for a New Zealand reporting entity

**Version:** 2

**Number of credits:** 4

Questions will require short and/or extended answers and relate to a variety of resource information.

Candidates should refer to the [Accounting Level 3 Appendix](#), the New Zealand Equivalent to the IASB Conceptual Framework for Financial Reporting (2018 NZ Conceptual Framework), issued May 2018, and the [NZQA Clarification of the New Zealand Framework](#).

---

<b>Standard:</b>	91406
<b>Title:</b>	Demonstrate understanding of company financial statement preparation
<b>Version:</b>	2
<b>Number of credits:</b>	5

Questions may include full financial statements, financial statement extracts, or extracts from the notes to financial statements as listed in [Explanatory Note 5](#) of the Standard.

Questions may include accounting entries and explanations, as related to the preparation of the financial statements or notes to the financial statements.

Candidates may be required to calculate and adjust for GST where appropriate.

The account names recorded in general journal entries should be those provided in a trial balance where relevant. The preparation of general journal entries may be from narrations provided in the general journal.

Classification headings will be provided in the templates for the preparation of company financial statements, extracts, or notes to the financial statements.

Candidates should refer to the [Accounting Level 3 Appendix](#) for the appropriate terminology, statement names, and formats.

A resource booklet will be provided.

---

<b>Standard:</b>	91408
<b>Title:</b>	Demonstrate understanding of management accounting to inform decision-making
<b>Version:</b>	2
<b>Number of credits:</b>	4

This standard will have one question with multiple parts.

Candidates may be required to complete cash budget and/or CVP calculations to support their justified decision.

A resource book will be provided.
