Information relating to all achievement standards

The assessments will each consist of THREE questions written in English based on the texts provided.

Text choices for both standards will reflect appropriate cultural contexts, for example French-speaking communities, te ao Māori, the Pacific, and Aotearoa New Zealand. Texts may develop a line of argument relating to concrete and abstract matters of social interest.

In Level 3 French examinations, candidates can respond in French, English, or te reo Māori.

The French vocabulary list indicates language which will guide the setting of Level 3 French external assessments.

Words outside of the approved vocabulary list will be glossed if their meaning is not evident from the text.
