### Specific information for individual achievement standards

<b>Standard:</b>	91876
<b>Domain:</b>	Psychology
<b>Title:</b>	Analyse a significant issue in psychological practice
<b>Version:</b>	1
<b>Number of credits:</b>	3

Three significant issues, as listed in [Explanatory Note 3](#), will be chosen and each one presented as a case study.

Candidates will select ONE case study, provided in a separate resource booklet. They will identify the issue presented in the case study and respond to one question with multiple parts.

Candidates are required to use the selected case study to support their analysis of the issue.  
To support the change from resource to case study, a sample resource booklet is available on the [NZQA website](#).
