### Specific information for individual achievement standards

<b>Standard:</b>	91876
<b>Title:</b>	Analyse a significant issue in psychological practice
<b>Version:</b>	1
<b>Number of credits:</b>	3

Three significant issues in psychological practice, as listed in [Explanatory Note 3](#), will be presented as three individual case studies in a resource booklet.

Candidates will select ONE case study. They will identify the issue in psychological practice presented in the case study and respond to one question with multiple parts.

Candidates are required to use the selected case study to support their analysis of the issue in psychological practice.
