National Certificate in Beauty Services (Cosmetology) (Level 3)

Level 3

Credits 52

Purpose

The National Certificate in Beauty Services (Cosmetology) (Level 3) is awarded to people who have demonstrated the skills and knowledge required to perform a range of beauty services at a basic level within the commercial environment. Holders of this qualification are able to consult with a client, establish the needs of the client on the basis of consultation, sell beauty goods and services to meet client needs, conduct the prescribed service in a professional manner, and maintain communication with the client. In particular, holders of this qualification are able to:

- perform a manicure and/or pedicure service as an independent beauty services operator
- perform cosmetic services as an independent beauty services operator
- advise clients on selection and use of cosmetics and toiletries.

This qualification recognises the skills and knowledge required for these outcomes. There are no electives.

This qualification could lead to higher qualifications in Beauty Services such as the National Certificate in Beauty Services (Beautician) (Level 4) [Ref: 1046]; the National Certificate in Beauty Services (Nail Technology) (Level 4) [Ref: 1047]; the National Certificate in Beauty Services (Electrology) (Level 5) [Ref: 1048]; and the National Certificate in Beauty Services (Body Therapy) (Level 5) [Ref: 1049]. Some credits achieved for this qualification can be used for the higher qualifications.

Requirements for Award of Qualification

Award of NQF Qualifications

Credit gained for a standard may be used only once to meet the requirements of this qualification.

Unit standards and achievement standards that are equivalent in outcome are mutually exclusive for the purpose of award. The table of mutually exclusive standards is provided in section 7 of the New Zealand Qualifications Authority (NZQA) Rules and Procedures publications available at <http://www.nzqa.govt.nz/ncea/acrp/index.html>.

Reviewed standards that continue to recognise the same overall outcome are registered as new versions and retain their identification number (ID). Any version of a standard with the same ID may be used to meet qualification requirements that list the ID and/or that specify the past or current classification of the standard.
