## National Certificate in Clothing Manufacture (Design and Patternmaking) (Level 3)

**Level** 3

**Credits** 51

### Purpose

This qualification is for people who are developing skills in design and patternmaking. It is designed to recognise the skills and knowledge required to assist in the operation and activities in this area of a company. It can be attained either through an accredited training provider or through workplace training.

The compulsory section ensures that all holders of the qualification have knowledge of aspects of clothing production and workplace practice. The elective structure of the qualification allows trainees, providers and employers the flexibility to tailor programmes to meet individual skill needs.

This qualification provides a basis for further education and training leading to the National Certificate in Clothing Manufacture (Level 4) [Ref: 1506].

### Credit Range

	Compulsory	Elective A	Elective B
Level 2 credits	11	-	-
Level 3 or above credits	3	27	10
Minimum totals	14	27	10

### Requirements for Award of Qualification

#### Award of NQF Qualifications

Credit gained for a standard may be used only once to meet the requirements of this qualification.

Unit standards and achievement standards that are equivalent in outcome are mutually exclusive for the purpose of award. The table of mutually exclusive standards is provided in section 7 of the New Zealand Qualifications Authority (NZQA) Rules and Procedures publications available at <http://www.nzqa.govt.nz/ncea/acrp/index.html>.

Reviewed standards that continue to recognise the same overall outcome are registered as new versions and retain their identification number (ID). Any version of a standard with the same ID may be used to meet qualification requirements that list the ID and/or that specify the past or current classification of the standard.

### Summary of Requirements

- Compulsory standards
- Elective A – A minimum of 27 credits as specified
- Elective B – A minimum of 10 credits as specified

## Detailed Requirements

### Compulsory

The following standards are required

Manufacturing > Clothing Manufacture > Apparel Cutting and Sewing

### Elective B

A minimum of 10 credits at Level 3 or above

From anywhere on the NQF

## Transition Arrangements

### Version 2

Version 2 was issued following a review.

Changes to structure and content

- Elective B was changed so that it includes credits from anywhere on the NQF.
- Details of standards 2834, 2835, 2839, 2840, 2841, 2847, 13387, 13388, 17914, and 17915 were updated to reflect changes made at review.
- Expiring standard 2842 was removed from Elective A.

For detailed information see Review Summaries on the NZQA website.

People currently enrolled in programmes leading to the award of version 1 of this qualification may either complete that version or transfer to version 2.

The last date for entry to training programmes or courses for version 1 is 31 December 2009.

Any candidate who feels they have been disadvantaged by the transition arrangements should in the first instance contact Competenz at the address below.

### Certification

This certificate will display the logos of NZQA, Competenz and the accredited organisation.

### Classification

This qualification is classified according to the NQF classification system and the New Zealand Standard Classification of Education (NZSCED) system as specified below.

DAS Classification		NZSCED	
Code	Description	Code	Description
182	Manufacturing > Clothing Manufacture	030107	Engineering and Related Technologies > Manufacturing, Engineering and Technology > Garment Making

#### Quality Management Systems

Providers and Industry Training Organisations must be accredited by a recognised Quality Assurance Body before they can register credits from assessment against standards. Accredited providers and Industry Training Organisations assessing against standards must engage with the moderation system that applies to those standards. Accreditation requirements and the moderation system are outlined in the associated Accreditation and Moderation Action Plan (AMAP) for each standard.
