## National Diploma in Hauora (Māori Health) (Level 6)

<b>Level</b>	<b>6</b>
<b>Credits</b>	<b>120</b>

### Purpose

The National Diploma in Hauora (Māori Health) (Level 6) [Ref: 1657] builds on the skills and knowledge recognised by the National Certificate in Hauora (Māori Health) (Level 4) [Ref: 0710].

This national diploma is intended for candidates who choose to further enhance their knowledge and skills in Hauora. It recognises advanced knowledge and skills related to Māori health initiatives such as auahi kore, tamariki ora, counselling, youth work, whānau ora, and drug and alcohol work.

Candidates will be able to maintain professional working relationship with tūroro and their whānau, and work within a framework for professional practice informed by knowledge and skills in the application and implementation of Te Tiriti o Waitangi within a hauora context.

The compulsory section is designed to assess a broad range of skills including: research to determine a health priority for Māori; the impact of current government policies on hauora Māori employees; an analysis of the effectiveness of primary health care providers' services in meeting hauora needs of Māori; intervention strategies to reduce the risk of Māori placing themselves in at-risk situations; and research into traditional and contemporary hauora practices.

The elective section allows candidates to further specialise in different aspects of Hauora within Community and Social Services, Health, Humanities and Field Māori.

Tikanga pertinent to local rohe is interwoven through all practices of Hauora, including any interaction with whānau, hapū, iwi within a Hauora context. It also permeates any study of Māori models of health, or Māori history and best practice models within a Hauora context. Candidates will have the advanced skills and knowledge required to provide Hauora services delivered by primary and secondary health services, social services, community support services, health providers, Māori health providers, mainstream health services, institutions, marae, community centres and local clinics.

The National Certificate in Hauora (Māori Health) (Level 4) [Ref: 0710] leads to this qualification.

Whilst this qualification does not lead on to any other New Zealand qualifications, it may pathway to other Hauora qualifications, such as Poutuarongo Oranga Hinengaro (Level 7) [Ref: RK0054]; Poutuarongo Oranga Hinengaro (Level 7) [Ref: RK0054]; or Te Ohanga Mataora Paetahi: Bachelor of Health Sciences Maori (Nursing) [Ref: AW1317].

## Replacement Information

This qualification replaced the National Diploma in Hauora (Māori Health) (Level 5) [Ref: 0711].

## Special Notes

Prerequisite: National Certificate in Hauora (Māori Health) (Level 4) [Ref: 0710], or demonstrate equivalent knowledge and skills.

## Credit Range

	Compulsory	Elective
Level 4 credits	-	0-37
Level 5 credits	5	0-37
Level 6 or above credits	78	0-37
Minimum totals	83	37

## Requirements for Award of Qualification

### Award of NZQF National Qualifications

Credit gained for a standard may be used only once to meet the requirements of this qualification.

Unit standards and achievement standards that are equivalent in outcome are mutually exclusive for the purpose of award. The table of mutually exclusive standards is provided on the New Zealand Qualifications Authority (NZQA) website: <http://www.nzqa.govt.nz/qualifications-standards/standards/standards-exclusion-list/>.

Reviewed standards that continue to recognise the same overall outcome are registered as new versions and retain their identification number (ID). Any version of a standard with the same ID may be used to meet qualification requirements that list the ID and/or that specify the past or current classification of the standard.

## Summary of Requirements

- Prior award of National Certificate in Hauora (Māori Health) (Level 4) [Ref: 0710]
- Compulsory standards
- Elective – A minimum of 37 credits as specified

Humanities	Any	Any
Māori	Any	Any

**Transition Arrangements****Version 1**

This qualification replaced the National Diploma in Hauora (Māori Health) (Level 5) [Ref: 0711].

There are significant changes between the replaced and replacement qualifications.

- The replacement qualification is at level 6 instead of level 5.
- The total credit value of the replacement qualification is 120 instead of 172 credits.

- The replaced qualification and the replacement qualification have the following standards in common: 9685, 15301-13503, 15306, 15313, 18413, 18414, 18562 and 18564. Similar to the replaced qualification, the replacement qualification's Elective section also includes the option to choose standards from the following fields: Community and Social Services, Health, Humanities, and Māori.

For detailed information see [Review Summaries](#) on the NZQA website.

Candidates currently enrolled in programmes leading to the award of version 2 of the replaced National Diploma in Hauora (Māori Health) (Level 5) [Ref: 0711] may either complete that version or transfer to the replacement qualification.

The last date for assessments to take place for version 2 of the replaced qualification is 31 December 2013.

It is the intention of Māori Qualifications Services (MQS) that no person should be disadvantaged by these changes. Any person who believes they have been disadvantaged should contact MQS at the address below.

## Other standard setting bodies whose standards are included in the qualification

NZQA National Qualifications Services

## Certification

This certificate will display the logos of NZQA and the organisation that has been granted consent to assess against standards that meet the requirements of the qualification (accredited).

## Classification

This qualification is classified according to the classification system listed on the Directory of Assessment Standards (DAS) and the New Zealand Standard Classification of Education (NZSCED) system as specified below.

DAS Classification		NZSCED	
Code	Description	Code	Description
349	Māori > Hauora	061304	Health > Public Health > Hauora (Maori Health)

### Quality Management Systems

Providers and Industry Training Organisations must be granted consent to assess by a recognised Quality Assurance Body before they can register credits from assessment against standards. Organisation with consent to assess and Industry Training Organisations assessing against standards must engage with the moderation system that applies to those standards. Consent to assess requirements and the moderation system are outlined in the associated Consent and Moderation Requirements (CMR) for each standard.
