### Pārongo aromatawai me te taumata paearu | Assessment information and grade criteria

Assessment specifications:

A candidate must be capable of maintaining professional standards in a range of the painting and decorating trades such as:

- planning and design
- surface preparation
- specialised spraying
- wallcoverings and
- specialised coatings.

Demonstrating leadership refers to technical support and direction for others involved in the contract.

Commercial competence requires a candidate to be capable of consistently performing the requirements of the skill specification:

- to current regulatory, industry and commercial standards
- within a commercially viable timeframe
- in commercial environments
- without supervision
- in different and unfamiliar contexts.

Professional behaviour on a day-to-day basis is likely to include consistently being reliable, responsible, accountable, and showing respect and consideration for people, property, and the environment with effective communication.
