

Main changes resulting from the review

The review process has resulted in the following changes to the unit standards:

- Eighteen floristry unit standards will expire.
- Thirteen new *Floristry* unit standards have been developed.
- New version of unit standard 12057.
- One new *Floriculture* unit standard has been developed.
- The existing *Floriculture* unit standard 1797 has been reviewed and replaced.
- Review of *Floriculture* unit standards 833 and 1786.
- The review included updating special notes to include relevant legislation and licensing requirements; revising elements, performance criteria and range statements to ensure they were technically correct and reflected current industry practice; and revising credit values to more accurately reflect the time taken for delivery, learning and assessment.

Unit standards categorised as category C and D expire at the end of December 2005.
