FIELD MANUFACTURING

Revision of *Textile Dyeing and Finishing* qualification

National Certificate in Textile Dyeing and Finishing (Dyeing Technology) (Level 4) with strands in Shade Assessment and Measurement, and Chemical Preparation [Ref: 0181]

The above qualification has been updated following a correction to the minimum total credits.

Date new version published **January 2004**

The review of this qualification is planned to take place in **December 2006**

Reason for the revision

The range for the minimum total credit has been corrected. This has been changed from 135 or 136 to 135 or 146 depending on strand. There are no transition consequences resulting from this change.
