

FIELD MANUFACTURING**Rollover of *Textiles Manufacture* unit standards**

Subfield	Domain	Id
Textiles Manufacture	Textile Dyeing and Finishing	5375-5427, 5471

The Apparel and Textile Industry Training Organisation has decided that the unit standards listed above, which were registered in October 1995, should have their period of registration extended.

The reason for the rollover is to maintain the currency of the unit standards until they have been reviewed.

The review of these unit standards is planned to take place during 2006.

The title of unit standard 2780, which is a prerequisite to unit standard 5388, has been updated.
