

- The addition of an element in the practical unit standards to cover safe working practices.
- Sundry editorial changes to performance criteria.
- Amendments to levels/credits to better reflect the level of skill required by the candidate, the extent of supervision, and the overall learning demand.
- The withdrawal of unit standard 7626 as it was found to be covered by reviewed unit standard 7680, and is no longer considered by industry to be useful.

Unit standard categorised as category D expire at the end of May 2005.

Impact on Accreditation and Moderation Action Plan (AMAP)

Unit standard 1665 has been transferred from AMAP 0044 to AMAP 0111. Other unit standards on AMAP 0044 will be progressively transferred to AMAP 0111 as they are reviewed.

Impact on existing provider accreditations

Current Accreditation for			Accreditation extended to		
Nature of accreditation	Classification or Id	Level	Nature of accreditation	Classification or Id	Level
Subfield	Food and Related Products Processing	2	Unit standards	1665 and 7759	3
Domain	Food and Related Product Packaging	2	Unit standard	1665	3
Domain	Food and Related Product Production Line Operation	2	Unit standard	7759	3

Summary of main changes to standards' Ids, classification, titles, levels, and credits

The following summary shows the changes made to the standards as a result of the review. All changes are in **bold**.

Key to review category	
A	Dates changed, but no other changes are made - the replacement standard carries the same Id and a new version number
B	Changes made, but the overall outcome remains the same - the replacement standard carries the same Id and a new version number
C	Major changes that necessitate the registration of a replacement standard with a new Id
D	Standard will expire and not be replaced

Subfield Food and Related Products Processing
 Domain Food and Related Product Container Filling

Id	Title	Level	Credit	Review Category
7700	Fill containers with dry food and related products using automated equipment Fill containers with dry food or dry related products using automated equipment	2	1	B

Id	Title	Level	Credit	Review Category
7719	Fill and seam liquid food containers using pressurised multi-head automated equipment Fill and seam liquid food or beverage containers using pressurised multi-head automated equipment	3	10	B
7789	Fill containers with food products using mechanical depositing equipment	2	3	B
20697	Set up and operate pumps in a food or beverage environment	2	4	New

Domain Food and Related Product Packaging

Id	Title	Level	Credit	Review Category
1665	Implement operations plan on food packaging line Implement a packaging line operations plan in a food or related products environment	2 3	3	B
7626	Wrap food and related products using automated electronic equipment	2	2	D
7654	Seam metal food containers using automated seaming equipment Seam metal containers for food or related products using automated seaming equipment	2	2	B
7664	Identify and select food and related product packaging Identify and select food or related product packaging	5	18	B
7680	Wrap food and related products using automated equipment Wrap food or related products using automated equipment	2	2	B
7732	Fill and package casks with liquid food products using automated equipment	3	5	B
7822	Package canned food products using automated packaging equipment Package canned food or related products using automated equipment	2	2	B
16642	Demonstrate knowledge of packaging for food and related products Demonstrate knowledge of packaging for food or related products	3	3 5	B

Domain Food and Related Product Production Equipment

Id	Title	Level	Credit	Review Category
7754	Operate automated process control equipment in the food and related product processing industry Operate automated process control equipment in the food or related product processing industry	3	3	B

Id	Title	Level	Credit	Review Category
7810	Configure modularised automated food and related product production lines Configure modularised automated food or related product production lines	3	6	B

Domain Food and Related Product Production Line Operation

Id	Title	Level	Credit	Review Category
7675	Maintain material supplies to food and related product production lines Maintain material supplies to food or related product production lines	2	2	B
7716	Depalletise goods using automated depalletising equipment	2	2	B
7747	Transfer food and related products from automated production lines manually Manually transfer food or related products from automated production lines to temporary storage	1	2	B
7758	Rectify product and packaging faults on food and related product production lines Identify product and/or packaging faults on food or related product production lines	2	3	B
7759	Apply quality control practices on food and related product production lines Apply quality control practices on food or related product production lines	2 3	6	B
