FIELD SERVICE SECTOR

Change of responsibility for and revision of *Property Consultation and Valuation* qualification

National Certificate in Property Consultation and Valuation (Technician) [Ref: 0657]

Responsibility for the qualification referred to above that was registered in 1999, has been transferred from the Design and Construction Consultants Industry Training Organisation to InfraTrain New Zealand following the merger of Design and Construction Consultants Industry Training Organisation and the New Zealand Contracting Industry Training Organisation under the new name of InfraTrain New Zealand.

Date new version published **June 2004**

The review of this qualification is planned to take place in **December 2006**

Reason for the revision

The revision reflects the review of the Business Administration, Computing and Writing unit standards.

Main changes resulting from the revision

National Certificate in Property Consultation and Valuation (Technician) [Ref: 0657]
National Certificate in Property Consultation and Valuation (Technician) (Level 5) [Ref: 0657]

Changes to structure and content

- Change of title to include qualification level
- Unit standard titles updated in line with currently registered versions
- The name of the standards setter is now InfraTrain New Zealand.

There are no transition implications as a result of these changes.
