The Māori Qualifications Services has decided that the unit standards listed above, which were registered in December 1995, should have their period of registration extended.

The reason for the rollover is to maintain the currency of the unit standards until they have been reviewed.

The review of these unit standards is planned to take place during the 2005 year.

The opportunity of the rollover was taken to

- amend the moderation option to reflect the information in AMAP 0082
- update the titles of some unit standards listed as prerequisites in the entry information for unit standards 2566, 2567, 2570, 2573 and 2576
- make minor editorial changes.
