FIELD MANUFACTURING

Revision and rollover of *meat industry generic* unit standard 17024

Subfield	Domain	Id
Meat Processing	Meat Industry Generic	17024

The New Zealand Industry Training Organisation has revised the above unit standard, which was registered in September 1999, and extended its period of registration.

The review of this unit standard is planned to take place during 2005.

Date new version published **May 2004**

New comments by date **May 2005**

Expiry date of new version of the unit standard **December 2006**

Reason for the revision

Feedback from assessors in the meat processing industry has necessitated a minor revision of unit 17024 to include 'manufacturer's specifications' in the performance criteria.

Main changes resulting from the revision

- Definition of 'company specifications' has been added to special notes.
- 'Manufacturers specifications' has been added to performance criteria 1.2 and 1.8.

Impact on existing provider accreditations

None.

Impact on existing qualifications

None.
