

FIELD EDUCATION**Rollover and Revision of *Distance Education Supervision* unit standards**

Subfield	Domain	Id
Generic Education and Training	Distance Education Supervision	12619-12623

The National Qualifications Services (NQS) has decided that the unit standards listed above, which were registered in November 1997, should have their period of registration extended.

The reason for the rollover is that the unit standards have not been used sufficiently to warrant a review at this stage.

The opportunity was taken to update the moderation section.

The review of these unit standards is planned to take place during 2007.
