FIELD ENGINEERING AND TECHNOLOGY

Revision of *Design* qualification

National Diploma in Design with strands in Graphic Design, Product Design, and Spatial Design [Ref: 0567]

InfraTrain New Zealand Limited has revised the qualification listed above that was registered in November 1998.

Date new version published **September 2004**

The review of this qualification is planned to take place in **December 2008**

Reason for the revision

This qualification was revised to take account of changes made as part of the revision of unit standards 2098 and 2097.

Main changes resulting from the revision

The main change from the revision is adding a new unit standard to the Graphic Design strand elective.

National Diploma in Design with strands in Graphic Design, Product Design, and Spatial Design [Ref: 0567]

Changes to structure and content

- Unit 5940, *Produce a presentation using a desktop presentation computer application* has been added into the Graphic Design Strand Elective;
- Level for unit standard 2098 changed from 5 to 6.

Transition

There are no transition consequences resulting from this revision.
