

- Credits have been increased from 4 to 6 in unit standards 19211 and 19215 to take into account the new element.
- Titles have been amended to match updated elements.
- Elements and performance criteria, as amended, have been aligned.

Impact on existing provider accreditations

None.

Impact on Accreditation and Moderation Action Plan (AMAP)

None.

Impact on existing qualifications

A qualification that contains the reviewed standards is tabled below.

| | |
|--------------------------------|--|
| Affected | The qualification lists a reviewed classification (domain or subfield) in an elective set The qualification lists a standard that has changes to level or credits The qualification lists a C or D category standard |
| Not materially affected | The qualification lists a standard that has a new title The qualification lists a standard that has a new classification |

The following Agriculture Industry Training Organisation (Water Industry Training) qualification is affected by the outcome of this review and will be revised following registration of the unit standards.

| Qualification title | Standards in the qualification |
|---|--------------------------------|
| National Certificate in Water Reticulation (Service Person) (Level 3) with strands in Water, and Wastewater [Ref: 0962] | 19203, 19210, 19211, 19215 |

Summary of main changes to standards' Ids, classification, titles, levels, and credits

The following summary shows the changes made to the standards as a result of the review. All changes are in **bold**.

| | |
|-------------------------------|--|
| Key to review category | |
| A | Dates changed, but no other changes are made - the replacement standard carries the same Id and a new version number |
| B | Changes made, but the overall outcome remains the same - the replacement standard carries the same Id and a new version number |
| C | Major changes that necessitate the registration of a replacement standard with a new Id |
| D | Standard will expire and not be replaced |

Subfield Water Industry
Domain Water Reticulation

| Id | Title | Level | Credit | Review Category |
|-------|--|-------|--------|-----------------|
| 19203 | Lay PVC pipes for water reticulation Lay pipes for water reticulation | 3 | 2 | B |
| 19210 | Service, clean, disinfect, and restore reservoirs and reticulation mains Service, clean, disinfect, and restore reservoirs or reticulation mains | 3 | 4 | B |

| Id | Title | Level | Credit | Review Category |
|-------|--|-------|------------|-----------------|
| 19211 | Demonstrate knowledge of water supply mains materials and fittings Describe water supply mains materials and fittings, and causes and prevention of pipe failure | 3 | 4 6 | B |
| 19215 | Demonstrate knowledge of wastewater sewer systems and materials Describe wastewater systems and materials, and causes and prevention of pipe failure | 3 | 4 6 | B |
