Revision of *Marae Catering* qualification

National Certificate in Marae Catering Level 2 [Ref: 1165]

The NZQA Māori Qualifications Services has revised the qualification listed above that was registered in May 2005.

Date new version published

August 2005

The review of this qualification is planned to take place in 2008.

Reason for the revision

Titles and credits of standards in the Tikanga Practices domain required updating to match the outcome of their review, and the Credit Range table did not reflect the requirements of the qualification.

Main changes resulting from the revision

Changes to structure and content

- Titles and credits for standards 16136-16139 in Elective 2 have been updated to reflect the outcome of their review
- Minimum totals in the Credit Range table have been corrected to match the requirements of the qualification
- The prerequisite diagram has been updated.

There are no transition consequences arising from this revision.
