The Printing & Allied Industries Training Council has revised the qualification listed above that was registered in May 2005.

Date new versions published

August 2005

Reason for the revision

This qualification was revised to amend an error shown in the total credits on page 1.

No other changes were made.

Main changes resulting from the revision

The total credit values on page 1 were amended from 86-101 to 54-69. The core and elective units had inadvertently been added to the strand totals.

Transition

There are no transition implications.
